

RISE WBS65M Whiteboard set 65" for RISE 5XXX

Key Benefits

- 3 step installation in 20 minutes
- For mounting on the RISE trolley, floor stand

Whiteboard set for 65" screens The RISE WBS65M whiteboard set is a universal system, suitable for all types of 65" (interactive) displays. This accessory allows you to mount a whiteboard to the left and right of your 65" screen. The enamelled steel boards are attached top and bottom on a Vogel hinge, which retains friction and writing stability even after frequent use. Nonetheless, should the friction become less than desired over time, the hinge can easily be adjusted. This set is suitable in combination with the RISE 5xxx trolley and floor stands and contains one or two counterweights for extra stability. Due to the height adjustment of 985mm, these lifts require a counterweight to meet safety standards.
