

# A/V

## AUDIO FURNITURE

### Q 7068

**Q 7068 timeless universal Plasma/LCD/Audio cabinet. This cabinet features a self-closing drawer for additional storage, for example, for DVDs and CDs.**

This universal cabinet can be used to store audio and DVD equipment. The cabinet has 6 crystallite, tempered safety glass shelves which can be placed at different heights (3.2 cm increments). Side cupboards and a drawer can hold DVDs or CDs and the Cable Inlay System (CIS®) will cleverly hide all your cables. This slim cabinet is available in three colors; Silver, White and High Gloss Black. With its unique and timeless design this cabinet fits perfectly in every interior.

- Available in silver, black and white
- Crystallite, tempered safety glass
- Double Cable Inlay System (CIS)
