PFTE 7111 Motorized display trolley with cabinet

Two internal motors give the PFTE 7111 display trolley a height adjustment range of 65 cm. The trolley includes a lockable cabinet for a PC, cable socket and excess cable. The wide wheelbase and large casters make it very stable and safe. Add the Connect-it display interface matching the display of choice. The display interface is not included as it varies for each display.

Features

- Adjustable height
- Electronic/remote height position settings.
- Interface bar PFB 34xx Series in 4 different lengths to exactly match the display
- Interface display strips PFS 33xx Series in 6 different lengths to exactly match the display
