

SOUND 3200 - Universal loudspeaker wall mount (black)

Get more out of your speaker

Integrate your speaker seamlessly into your interior design by mounting it anywhere on your wall with the Vogel's SOUND 3200 wall bracket. Mount the bracket high or low, out of sight or in plain view – the wide turn (70°) and tilt (30° up and down) capacity make sure that you can always angle your speaker to sound best. This low-profile speaker bracket provides secure support for your speaker and comes in black or white to match the colour of your speaker. Installing the bracket perfectly straight is a breeze, thanks to the integrated spirit level.
