HDMI hub for 4 devices

The SAVA 1026 allows you to connect 4 HDMI devices to your TV. Suitable for the latest Ultra HD 4K resolution. Supports Dolby Atmos and DTS:X, as well as other popular audio formats. The built-in repeater and equaliser prevent signal loss. HDCP 2.2 support provides secure 4K Ultra HD content.

Connect old and new devices to each other with the smart solutions from Vogel's

Are the connections on your AV equipment incompatible with each other? But is your equipment not yet in need of replacement, or is vintage equipment your style? The smart solutions from Vogel's are the answer. The SAVA series consists of products that can be used to connect or expand (older) devices with new technologies. For example, wireless connections can be enabled or analogue connections can be converted to digital. Get more enjoyment from your valuable AV equipment and make it compatible!

The Quality Signature

When you purchase one of Vogel's SAVA products, you are always guaranteed quality and innovation. Smart and sustainable products that do what they are supposed to do. As part of Vogel's 'Quality Signature', you can always count on: reliability, design, innovation, ease of use and ease of installation.
